

Our Expert to Brilliant Trainer Programme empowers you to unlock the knowledge capital sitting in your organisation.

We take your internal Experts and equip them to be able to train others in their expertise, brilliantly.

Learners leave the programme with their first ready-to-go training session fully designed, and the ability to create an infinite number more.

---

## EXPERT TO BRILLIANT TRAINER PROGRAMME

Our programme takes your internal Experts and creates confident Trainers of their expertise, through our learning mix:

Expert to Brilliant Trainer Course  
Training Session Blueprints  
Walk-Through First Session Design  
Impactful Training Delivery Tools  
Individual First Session Coaching

“I feel much more confident in designing and delivering training sessions...and I’m now looking forward to doing it”

“The interactive training-building process was super helpful!”

“Lara is a truly brilliant Trainer and does a fantastic job of teaching the principles of Brilliant Learning”

Learner feedback
