

Our Rapid Management Development Programme quickly equips managers to deliver high-quality management to their individual people and team as a whole.

Using their e-toolkit for support, learners put the practical tools they learned into action, fast.

RAPID MANAGEMENT DEVELOPMENT PROGRAMME

Choose five of our 1.5 hour topics to create your ideal programme:

- Understand and Flex to Different People
- Prioritise and Plan Your Team's Work
- Motivate Your People
- Give Impactful Feedback
- Build Trust and Psychological Safety
- Maximise People Performance
- Hold Challenging Conversations
- Collaborate Successfully
- Coach Your People
- Develop a High Performing Team

"Feedback was universally exceptionally high for this interactive, engaging, stretching and thought-provoking programme.

More importantly we're seeing the managers using all they learned to become more competent and confident in their roles and with their teams"

CEO, medium-size organisation
